## A Peek At What We Are Learning

Reading

We will be reading *The Best Christmas Pageant Ever* by Barbara Robinson.

Writing

We will be moving into Unit 2: The Art of Information Writing. We are beginning cursive writing practice.

Math

We are working on multiplication facts for 3, 4, 6, 7, and 8

Science

We will continue with Forces and Motion

Social Studies

We will learn about holidays that are celebrated around the world and Christmas traditions in other countries

Religion

We will be learning about Sacraments of Healing

Throughout Advent, we will be focusing on acts of kindness. Whenever I see an act of kindness in the classroom, students will be able to bring a piece of straw to place in the manger in the foyer. Our Elf on the Shelf will also be looking for acts of kindness!
